

# Nguyễn Quang Hiệp

Intern PHP Developer (Laravel)

## Personal Information

0971647692

nguyenquanghiep3404@gmail.com

GitHub:  
github.com/nguyenquanghiep3404

Vân Canh, Hà Nội

## Skills

Programming Languages: PHP

Frameworks: Laravel, VueJS, Bootstrap, TailwindCSS

Databases: MySQL, SQL Server

Tools: GitHub, Figma

Soft Skills: Teamwork, Time Management, Effective Communication

## Career Objective

As a dynamic and detail-oriented student, I am aiming for a web development internship to apply my knowledge of Laravel and PHP in real-world product development. I seek to apply the skills I have acquired through education, learn about professional team workflows, and contribute to the success of the organization.
