2023 - 2025

WORK EXPERIENCE

SCGATE JOINT STOCK COMPANY   **Feb 2025 - Present**

Intern PHP Laravel

My responsibilities at the company included providing hosting support, modifying the SCgate Data Management System (data.scgate.com.vn) using PHP Laravel based on manager requests, updating the user interface, and working on assigned projects.

Clients: Sunstar Group

- Upgrade code from Laravel 5.6 to 12.x.
- Develop two-factor authentication (2FA) login functionality.
- Implement Laravel Firewall to prevent attacks.
- Design and update website content based on client requirements.
- Provide support to clients when issues arise.
- PHP/LARAVEL, PHPMYADMIN, HTML/CSS, JAVASCRIPT
- 🌐 https://sunstar.scgate.com.vn/

Clients: Cao Dang Song Da, Linh Dat Pharma

- Responsible for developing a news website based on client requirements.
- My primary responsibility is to build websites and guide clients on website management.
- Responsible for architecture, design, development
- PHP/LARAVEL, PHPMYADMIN, HTML/CSS, JAVASCRIPT
- 🌐 https://songda.edu.vn/   https://linhdatpharma.com.vn/

ALPHACINEMA MOVIE TICKET BOOKING WEBSITE   **Jan 2025 - Apr 2025**

GRADUATION PROJECT

- Developed a movie ticket booking website referencing Beta and National Cinema Center websites. Built admin functionalities using PHP/Laravel and front-end with Vue.js.
- Researched business processes of movie ticket booking systems and implemented CRUD operations for features such as food, combo, and voucher management...
- Team size: 7
- Role: Back-end Developer
